

HOUSE OF WATCHES

WATCH SIZE GUIDE

To find the right watch size for you print this page and cut-out the watch you would like to try. Please make sure that you print this page at 100% and the option 'DO NOT SCALE' should be selected. You can double check this by measuring against the ruler at the right of this page.

Please note: This House of Watches measuring guide is an indicative guide only and therefore may not be an accurate measurement .
